

# GCRC Member Survey December 2016

## Summary & Findings

44 members answered the survey.

### **Q1 – How often have you wanted to row but been unable to because no places were available?**

- 65% of members who answered the survey weren't available to row because no places were available between 1-5 times.
- No members said that they wanted to row but been unable to because no places were available more than 10 times. This is quite positive

### **Q2 - When would you prefer to row (weather and light permitting)?**

- Most popular: Sunday mornings.
- Followed by: Saturday mornings & Monday-Friday evening.
- In third place: Early and mid morning (Monday-Friday).

### **Q3 - Thinking about rowing sessions in which you have participated, was the level...?**

- Over 85% of members are happy with the level of the sessions.

### **Q4 - Would you like to see rowing sessions organised according to skill and expertise?**

- Almost 50% of members who answered the survey would like to see rowing sessions organised according to skill and expertise.
- From this question, it is difficult to evaluate if that 50% refers to 'more skilled' session or 'more leisure' session.
- Some members mentioned that they wanted to have the opportunity to do both. They don't want to miss the chance to meet new people.

### **Q5 - How likely are you to be part of racing crews on a more regular basis?**

- Around **55%** of members who answered the survey are very likely to be part of racing crews on a more regular basis.
- 45% are not likely to be part.

### **Q6 - How likely are you to attend other clubs' regattas and events around Scotland?**

- Over 65% of respondents would attend other clubs' regattas and events around Scotland.

**Q7 - How likely are you to learn to cox the boats to help our club grow?**

- Around 10 respondents seems to be very keen to become coxes
- Another 10 may consider.

**Q8 - How likely are you to participate in boat building, maintenance and repair?**

- Almost 80% of the members who answered the survey would participate in boat building, maintenance and repair.

**Q9 - Are you likely to renew your membership in April?**

- 34 members will renew their membership in April
- 8 have a 3 years membership
- 1 is unsure
- 1 won't due to economic reasons
