

## **Glasgow Coastal Rowing Club Committee Meeting, via Zoom**

Monday 19<sup>th</sup> October 2020

Present: Fiona MacLeod, Ian Watson, Kate Borland, Gordon McCracken, Liza Downie, Michael Stratigos

### **Agenda**

#### **1. Matters arising from previous minutes**

There has been no response from CMT re Kelvin Kelpie being stored in workshop.

There is no update on thole plates from PA.

As there is very little activity on the pontoon at the moment the issue of portaloos is unjustified.

The electricity has been reinstalled in the barge and IW is checking to see if it is working.

#### **2. Resuming Rowing/Covid**

SH and FMcL prepared the pontoon for social distancing and one rowing session was successfully completed before the new restrictions were issued. FMcL has since checked the clubhouse and pontoon and the hazard tape to signal social distancing has come away and some of the signs need relaminating. Skippers will need to ensure the 2 metre rule is adhered to on the pontoon. Resuming rowing will be reviewed on 25<sup>th</sup> October and members updated.

Thanks were expressed to SH and FMcL and anyone else involved who made rowing possible again.

**3.** The AGM situation remains the same. Audited accounts have been approved and are available to view on the website, along with the Convenor's interim report.

#### **4. Accounts**

The club's finances remain stable as there is little spending on maintenance alongside no fundraising activity.

The club application form has been temporarily suspended due to current restrictions.

#### **5. Skiff Maintenance**

Maintenance remains infeasible until restrictions ease.

Date of next meeting Monday 16<sup>th</sup> November at 5pm.
