

Glasgow Coastal Rowing Club Committee Meeting, via Zoom

Thursday 6th May 2021

Present: Fiona MacLeod, Ian Watson, Kate Borland, Gordon McCracken, Liza Downie, Ross Ritchie, Michael Stratigos, Shona Henderson, Susie Taylor

Agenda

1. Matters arising from previous minutes

FMcL has gathered names of skippers willing to resume rowing from 17 May 2021.

FMcL emailed BB and TM re taking over the maintenance.

2. Finance Report

Renewal of membership is down on last year, however this rowing returns to normal and we're able to admit new members the number is likely to increase. Income is down on year ending 2020 but because of previous years' surpluses we have a healthy at £2k in the bank.

3. Tall Ship/GCRC workshop agreement/Berthing Fees

IW drafted a workshop agreement and he and FMcL are meeting Colin Botfield from CMT to negotiate future berthing fees, payment structure and workshop access, and to clarify their intentions with the pontoon and clubhouse.

We have an existing workshop access agreement with Gal Gael for Gobhancroit and Lady Danger. As we now have a trailer it would be feasible to investigate the option but it was agreed that we hold off approaching Gal Gael for the time being..

4. Resumption of Rowing

SH will skipper the first rowing session on 17 May and will ensure that all the Covid signage and arrangements are in place. The existing Risk Assessment is still applicable.

SH will arrange a Covid safe training session for skippers willing to take a boat out from 17 May.

FMcL will email members to inform them that sessions will be limited initially and that there is only one boat in service at the moment.

AMcD has done some work on the old oars and PA has started work on the new oars.

5. AOB

Thanks were expressed again to AMcD for her work and to RR for his work on the lifevests. RR will ensure that members can distinguish between automatic and manual vests.

GMcC will organise the cover fittings for the other two skiffs.

Date of next meeting Thursday 17th June 2021 at 5.30pm.
