Committee Meeting Minutes

6th June 2023

Kelvin Hall

Present - Margaret Dale, Jacqueline Grant, Andrena McShae-Kerr, Susie Taylor, Ian Watson.

1. Apologies - Fiona MacLeod, Jane White, Tom Malone

2. Welcome - IW chaired the meeting and welcomed everyone.

3. Matters Arising

ST apologised for the delay in circulating the minutes from the last meeting.

No matters arising.

3. Finance and Membership

IW reported that there are still issues with transferring the Treasurer's role to AMK due to problems with the bank.

Membership currently stands at 50, after some resignations and some non renewals.

Around 6 new members have joined.

The finances remain healthy and in line with the current budget.

4. Maintenance

No one available to report on this item, but work seems to be in progress re tidying up the clubhouse barge.

5. Convenor

Our new convenor, Stephen Rowan, who took on the role in April, has had to resign for work reasons. This unfortunately puts us back where we were in the spring needing a new passionate convenor to lead and drive the Club forward.

A separate note will be put out about this vacancy.

6. AOB

JG raised questions about the use of and servicing of equipment eg radios, the boat trailer, and the checking of life jackets.

IW emphasised the role all members have in finding out how to contribute to maintenance of equipment.

Please be aware that members should use Spond to ask questions about club matters.

7. Date of next meeting

Tuesday 1st August, Kelvin Hall Café at 5.30pm
